■ Program Briefs

1. **SHG Formation and Nurturing:** Under the scheme of SGSY supported by DRDA, Nalanda, we have formed 325 groups of underprivileged women in Hilsa and Tharthari blocks in Nalanda district in Bihar. All the SHGs have saving accounts. About 80 percent of the SHGs have credit linkages under SGSY scheme. They are earning their livelihood through loans from banks and also repaying it successfully.

2. **Basic Orientation Training to SHGs:** So far, we have trained 395 SHGs in Ekgangarsarai block in Nalanda district. In this training program, SHG members were

trained in maintenance of group norms, book keeping and accountancy. The program was supported by DRDA, Nalanda.

3. **AXSHYA Project:** We are implementing awareness programs on Tuberculosis with the support of MAMTA health institute for mother & child, New Delhi. Under the program, awareness interventions are organized through community meetings with Village Health and Sanitation Committee, PRI, Social Activists and Community Members on Tuberculosis, Collecting sputum of suspects, transportation of sputum for test to concern DMC and Co-ordinating with government hospitals /DMCs and DOTS Centre, Advocacy with TB patients and treatment of positive patients of tuberculosis.

TB: Activities

01. Survey of Community and Referral of Identified suspects on the Basis of survey.
02. Meeting with community, VHSC, PRI, Social Activists, DOTS Provider, ANM & Health Worker.
03. Collection of Sputum of Suspects.
04. Transportation of Sputum to Concern DMC for Test and attachment with Dots Provider of Positive Patients.
05. Management of DOTS Provider, i.e. ed.
06. Advocacy with TB Patients.
07. Retrieval and Advocacy of defaulter Patients.
08. Mid-media Activities & Wall Writing.

4. **Awareness Program against Kalazar & Malaria-** The organization organized community meeting to aware the people against **Kalazar & Malaria** Using safe drinking water, using toilets and using mosquito nets, in different villages of Hilsa Block in Nalanda Distt, Bihar.

5. **Total sanitation campaign :** Under the scheme of total sanitation program, the awareness generation program on the safe drinking water, health and sanitation are organized in every villages of Tharthari block. 9,556 low cost toilet is constructed for the poor people in this block for safe health. All beneficiaries are using toilet and the dirtiness of village is reduced.

6. **Health and family welfare program :** We have organized a number of health check up camp and eye camp for disadvantaged community of the society. Cataract operation camps has been also organized for the oldest people by VISION PLUS organized by the organization. All cataract operated people are working themselves without the assistance of others. In these camps 96 persons were examined by the eye specialist doctors at the same place. Under the scheme of health department, the organization has identified 20,000 socially excluded family for getting the health card to avail the benefit of free health, check up, free consumption of medicine and all type of expenses done during the sickness period. Travelling cost is also paid by the government by the effort of the organization to every household. 5000 children are immunized by the assistance of district health department. Women have faith on immunization of children and till now all immunized children are healthy.

7. Seminar- Organised seminar on right age marriage, Pregnancy delay and compulsory marriage registration for better health and to get benefits by government available for them. The organization also organized seminars on PCPNDT Act, Drinking water, Girl Health, Solar Energy, National Oil Seed, Climate change, Human rights, Bachan Baadshahi, Disabled welfare, Child labour, Literacy Program, Asha worker, Farmers Training, Right to Information Watershed Development, Science & Technology, Health & Sanitation, Flood Disaster, Jute diversification, Beti Bachao Abhiyan, Save the children, Solar energy, Yoga naturopathy and Rural Development

8. Improving Reproductive and Sexual Health of Young People: Awareness camps are organized in the villages on the right age of marriage by explaining the disadvantages, loss of health and risk of life due to early marriages. This program is supported by MAMTA health institute for mother & child, New Delhi.
