Genesis

A team of social worker from different section of the society inspired by the ideology and principle of Gandhian thought and the thought of "Total revolution (Sampoorn Kranti)" of Lok Nayak of Jai Prakash Narayan and established a society Lok Sevasharam Chiksaura for establishing the peace, equality, social justice, homogeneity and self reliance in the society. It is believed that Lok Seva (Service of the people) plays the most important role for development of the society. Therefore, it commits to the philosophy by transferring the ownership of all its efforts to the community through the service of the people who are the ultimate beneficiaries. Because the team of the society had the deep concern about the contemporary condition of Nalanda district where as the major population from all sectors of the society has been witnessed the socio-economic backwardness in all concerned. With a commitment to bring in socio-economic changes among the most downtrodden people of the area, especially women, children and landless farmers of the area, Lok Sevaashram Chiksaura has walked a way to improve their quality of life in such a manner.

ORIGIN, VISION, MISSION & OBJECTIVES

- **Origin:** The organization was established in the year 1992 by a team of social workers and activists to realize the ideology and principle of Gandhi and Jai Prakash Narayan to establish an equal, peaceful and harmonious society for the progress of the well being. To realize this vision, the organization was registered under the Society Registration Act in 1992 and FCR Act in 2005..
- **Vision:** Promotion of a society based on the values of peace, equality, social justice, homogeneity and self reliance for all.
- **Mission:** To develop the social, economical, cultural and educational set up for a progressive society through democratic pattern and transparency.

OUR OPERATIONAL AREA

Lok Sevasharam chiksaura covers 08 Blocks of Nalanda district and 04 blocks of Patna district and Hilsa, Shekhpura, Nawada, Luckee Saray & Banka Urban Area in Bihar.

▪ Objectives:

- > To access the services of integrated comprehensive primary health care, education, food and nutrition, sanitation and agriculture practices.
- > To promote information dissemination and awareness programs with village health and sanitation committee, PRI, social activists and community members on tuberculosis and its prevention.
- > To organize rural women for socio-economic development through income-generation activities and skill training.

- > To promote information dissemination and awareness programs to organise village committee of minor and poor farmers to develop their social and economic status through different development activities.,,
- > To create equal opportunities of education for the children and adults of disadvantaged section of the society.
- > To promote livelihood opportunities through proper management of natural resources management and agricultural practices.
- > To develop appropriate rural technology and promotion of non conventional energy sources.
- > To co-ordinate for better health facilities to the rural communities in a sustainable manner Specially for TB, HIV/AIDS, KALAZAR & MALARIA among excluded people of the Society..
- > To work for bio-diversity management, plantation, pollution and climate change issues.

The Beneficiaries
